

## On the Subject of 1000 Words

*The name is for the table. The actual amount is doubled.*

The module contains 5 displays that spells out a 5 letter word. Determine if the word shown is in the manual table. Press **YES** if the word is in the manual table. If not, press **NO**. Answer five times in a row correctly to solve the module. You will get a strike if one or more answer you sent is incorrect.
