

## On the Subject of KayMazey Talk

*Lost, confused, and dazed; There is no way out of this tricky maze.*

- A phrase will be shown on the screen, take note of that and then press the circle. This is your ending location. There is no way to see this phrase after you press the circle
- A second phrase will show up after you press it, this is your starting location. Direct your defuser from the start to the end of the maze without crossing over the walls. Press the circle when you are there to disarm the module.
