

On the Subject of Boozleglyph Identification

That's right I've been bamboozled, over and over again...

When this needy activates, a boozleglyph will be displayed. Submit which letter it corresponds to, which set contains it, and then the number of 90 degree rotations clockwise it has undergone. This will disarm the needy. Press the lower screen to submit.

	Set 1	Set 2	Set 3
